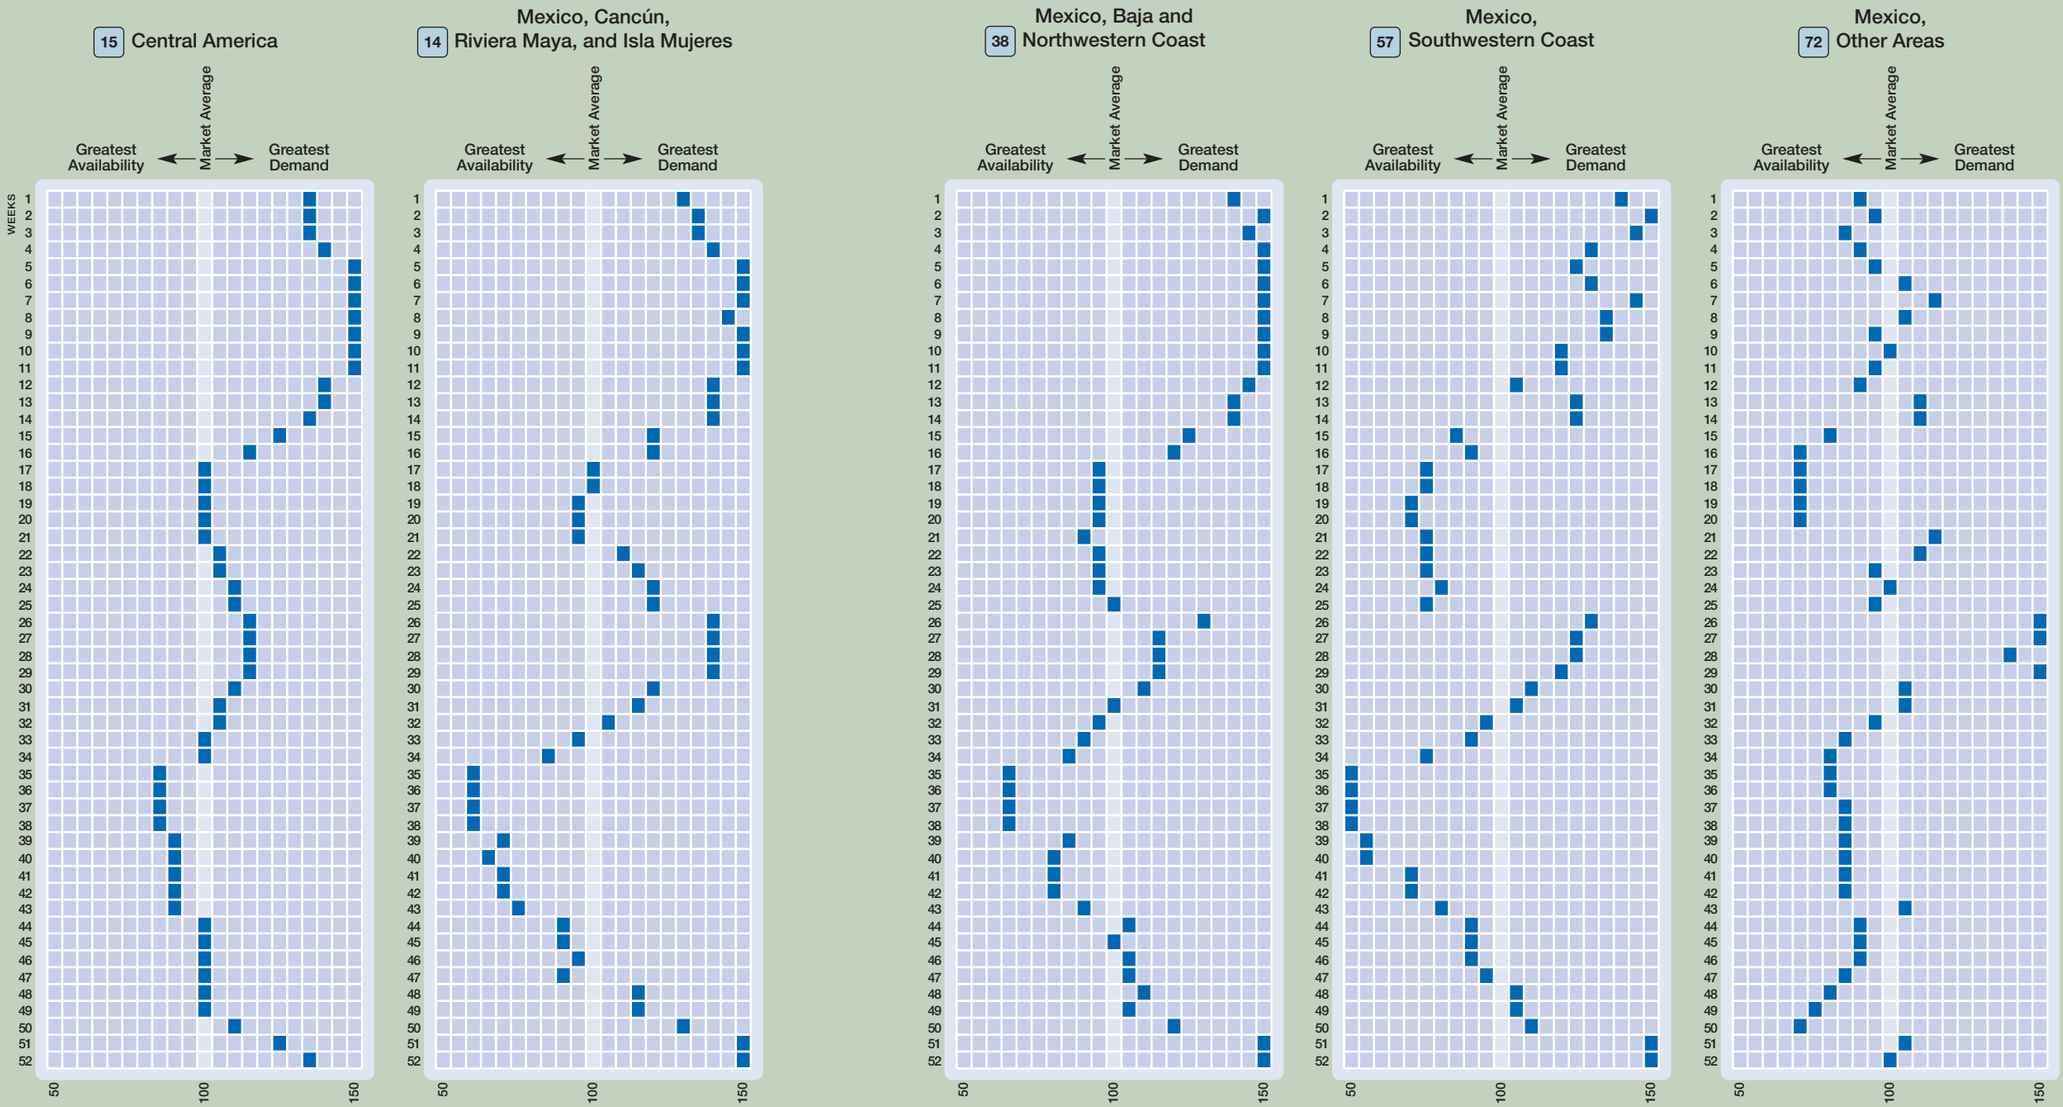
TRAVEL DEMAND INDEX



THE TRAVEL DEMAND INDEX makes it easy to plan the best times to travel. For example, if you want to visit Cancún, the best prices and availability will be during weeks 35 through 38. During weeks 5 through 7, 9 through 11, 51, and 52, you can expect prices to be higher than average and availabilities to be more limited.

Each resort listing includes the applicable Travel Demand Index chart number.
