

INTERVAL INTERNATIONAL EXPANDS GLOBAL RESORT NETWORK WITH THE ADDITION OF INFINITY AT THE SEA IN NORTHEAST BRAZIL

Miami, FL, May 11, 2021 – Interval International, a prominent worldwide provider of vacation services, announced the affiliation of Infinity at the Sea resort located in João Pessoa, Paraíba, Brazil. The mixed-use property is steps from the white-sand beaches along Cape Branco, on the northeast coast, an area well known for its yearlong warm weather and natural attractions.

“After being involved in the hospitality industry in Brazil for more than a decade, we made the decision to enter the shared ownership sector,” said Angela Maria Matias da Silva, CEO of Infinity at the Sea Serviços Imobiliários Ltda., developer of the resort. “The support received from Interval’s experienced team has been invaluable, and the company’s innovative sales tools are proving to be integral to our sales process. Interval also offers valuable benefits and services that our owners really appreciate.”

The resort features units with contemporary interiors, fully equipped kitchens, ceramic-tiled bathrooms with modern fixtures, and LED TVs. On-site amenities include a restaurant, an outdoor swimming pool, a sauna, a fully equipped exercise room, a game room, barbecue area, and private pier. Owners and guests also enjoy a 24-hour front desk, room service, and complimentary Wi-Fi throughout the property.

“Shared ownership offers developers an attractive option to diversify their product offerings and generate additional income streams. Infinity at the Sea was designed as a condo hotel and converted to a deeded fractional product to help leverage existing amenities and generate a more stable year-round occupancy,” said Marcos Agostini, Interval’s senior vice president of global business development. “We are pleased to welcome this family-friendly beachside property to our global resort network.”
