

INTERVAL INTERNATIONAL AND WINDJAMMER LANDING VILLA BEACH RESORT & SPA IN ST. LUCIA EXTEND LONG-TERM RELATIONSHIP

Miami, FL, October 20, 2020 – Interval International, a prominent worldwide provider of vacation services, announced the renewal of its affiliation with Windjammer Landing Villa Beach Resort & Spa, a mixed-use resort on the island of St. Lucia in the West Indies. An additional multi-year agreement includes the resort's luxury North Pointe Villas, which were completed as part of a multimillion-dollar expansion project.

“We are thrilled to once again be selected as the exchange partner for one of the Caribbean’s most iconic vacation ownership resorts,” said Neil Kolton, Interval’s business development director, Caribbean and Southeast U.S. “The most recent phase of development, which includes a major beach expansion and a new world-class spa, has taken the resort to an entirely new level. I am confident that based on their track record, Windjammer’s ownership and leadership teams will continue to deliver extraordinary vacation experiences.”

“More than a decade ago, Windjammer selected Interval International based on its reputation as the quality exchange network and their ability to meet the needs of our discerning members,” said Franz Starker, Project Director overseeing sales, marketing and administration for the resort’s Private Residence Club. “We are renewing our affiliation based on the results they continue to deliver for us, year after year. Their team is flexible, innovative, and always willing to go above and beyond to meet Windjammer’s evolving needs.”

Designed by renowned architect Ian Morrison as a self-contained Mediterranean-style village with graceful archways, Windjammer Landing offers more than 64,000 square feet of white sand beaches and unrivaled views of the surrounding tropical landscape. Seventy spacious villas are decorated in tropical colors and include open floor plans, wood furnishings, fully equipped kitchens, and a terrace or sundeck with scenic ocean views.
