## TRAVEL DEMAND INDEX

9 Colorado

33 Idaho/Montana/Wyoming

53 Utah

**THE TRAVEL DEMAND INDEX** makes it easy to plan the best times to travel. For example, if you want to visit Colorado, the best prices and availability will be during weeks 17 through 19, and 44, 45, and 47. During weeks 1 through 12 and 50 through 52, you can expect prices to be higher than average and availabilities to be more limited.

Each resort listing includes the applicable Travel Demand Index chart number.
